

## Maria

Hi! My name is Maria. I'm from Greece and I live in Kalamata, a town in the south-west part of the country. I have no brothers or sisters.

My mother's name is Eleftheria and she is a housewife. My dad's name is Thanasis. He is a building contractor.

I'm 14 years old and I'm a student at the 3rd class of junior high school. I like Maths and I want to become a pilot one day!

In my free time, I like to hang out with friends or listen to music. I love rap music. My favourite rap group is 'Cypress Hill' and the song I like most is 'Tequila Sunrise'. I like reggae, dub step and psychedelic music too! My favourite movies are thrillers and romances!

I also have a cat named "Loco". It's fluffy and very cute!

I take part in the Comenius programme because I think that it's a great opportunity for me to travel to different countries of Europe and learn about foreign cultures!

I am looking forward to visiting Freiburg in December!
