

Dear Comenius partner,

My name is: Bicem karatas

My hobbies are: dancing, swimming, go shopping with friends.

My city is small and beautiful and there are many shopping stores.

My pet is a hamster and her name is mimi last vacation I was in Turkey in the city of Adana. We were on the sea and often went shopping with my family

I have a sister her name is Elif and she is six years old, I also have a brother his name is Yasin and he is eight years old, and there is my mother, She is forty years old and her name is Emel

I am happy to do the project, because I think it is interesting to meet new people and foreign countries all over Europe.

I have been to some foreign countries.

Best wishes

And maybe we will meet in decembre in Freiburg
