Hello,

I am Marlene and I'm from Freiburg.

I am 13 years old and have got 2 brothers. I like to dance, to play football, but I also like horse riding. I listen to Usher and Cro and I love eating pizza and chips. Besides German and English, I don't speak French, but I try to learn a little bit.

I am good at sports but I do not like maths.

My favourite movie is "Türkisch für Anfänger" and Twilight. I do not like doing my homework but I have to.

Please write back soon

Best wishes

Marlene
